

## Industrial Visits:-

### Experimental Learning:-

We arrange Industrial Tours for the students for Experimental Learning for students which is an innovative concept and students get aware of number of factors for industrial skills learning, Actual learning process is gained by the students by industrial tours.

## **Seminars:-**

Seminars for Communication Skills and development for UG & PG Students arranged in college in seminar hall, RACSIT Wardha.

## **Parents Meet:-**

This was held in college meeting Hall.

This is a meeting between Parents and the teacher to talk about child's learning and progress. This is called parent-teacher interviews, parent-teacher conferences or even learning conferences.

PTM helps to communicate to parents the areas their child are excelling in. To give parents specific ideas of how to improve upon their child's performance. To develop parent teacher bonding.

## Workshop For Faculty In college:-

The workshop was conducted in the college for Knowledge about Swayam Portal Which was initiated by RTMNU Nagpur University for the course of MBA. The Workshop was conducted in the college for Faculties about the detail information about Swaya, course. These interactive workshops are designed to let the faculty collaboratively explore and share practical, evidence-based best practices on pedagogical themes, and to gain new insight as you are equipped and inspired to try new things in the classroom.
